

Partnership for a Healthy Durham
Obesity and Chronic Illness Committee
February 8, 2017
Agenda

OCI: This committee’s intent is to provide a community-based approach to address the growing problem of overweight and obesity, factors that contribute to the development and complications associated with many chronic illnesses.

Meeting Outcomes

- Outcome 1: Learn about the Center for Advanced Hindsight and how we can support each other/collaborate.
- Outcome 2: Continue work on projects/programming that improves obesity and chronic illness.

Facilitated by: Kelly Warnock
