Topic	Major discussion points	Action steps and responsible parties
Introductions		
Review January Minutes	No changes were made to the January minutes.	
Healthy Durham 20/20 Convening Group and the Durham Health Summit Gina Upchurch	<p>Healthy Durham 2020 is pulling together different sectors such as faith-based, philanthropy, education, nonprofit, government, business, etc. with the goal of making Durham the healthiest community in the nation. Different sectors are currently meeting to discuss how to collaborate. Healthy Durham 2020 builds on the work of the community and the Partnership for a Healthy Durham.</p> <p>The Duke Durham Health Summit will be held June 9 at the Durham Convention Center. This year's summit will bring sectors together to focus on how to make Durham healthier for all. At the Summit, sectors will share with the community what they are willing to do collectively to improve the health of the community. Sectors will come to the table without any decisions made.</p>	

	<p>Healthy Durham 2020 recognizes that sectors are working together but haven't looked at each other's (city, county, Durham Public Schools, etc.) strategic plans to leverage resources and funding.</p> <p>Healthy Durham 2020 is using data already collected from the community and using that to synergize strategic plans and involve non-traditional sectors. The Partnership will continue to be represented on the Healthy Durham 2020 convening group, which meets monthly.</p>	
<p>2017 Community Health Assessment Data Presentation Marissa Mortiboy</p>	<p>Marissa shared results from the 2016 Community Health Opinion Survey County and Latino/Hispanic neighborhood samples. The survey is conducted every three years as a part of the Community Health Assessment.</p> <p>Denver Jameson, Durham County Department of Public Health epidemiologist developed a report with results of each question and survey methodology.</p> <p>The health department plans to share the data by sending a summary of the results to those who participated in the survey and presenting to community groups.</p>	<p>Marissa will add the Community Health Opinion Survey results report online early next week.</p>
<p>Community Health Assessment Update Marissa Mortiboy</p>	<p>The Community Health Assessment writers training was held at the end of March. Teams should meet or schedule an initial meeting to discuss their section from the 2014 document, decide what information to add and what information to leave out. Section due dates are scheduled on a rolling basis in September and October.</p> <p>There will be a new chapter for the 2017 Community Health Assessment which focuses on LGBTQ issues.</p> <p>If you would like to become a writer for the Community Health Assessment, please contact Partnership Coordinator, Marissa Mortiboy.</p>	<p>Marissa will send an updated writers list and add the survey report to the Community Health Assessment Dropbox folder.</p>

<p>Release of the 2017 State of the County Health (SOTCH) Report Kimberly Monroe</p>	<p>The State of the County Health (SOTCH) report is done in years between the Community Health Assessment. The health report updates data from the previous year and progress made on health priorities.</p> <p>Meeting attendees received the first copies of the printed 2016 SOTCH report.</p> <p>April 19 was Kimberly Monroe's birthday. After she presented the SOTCH report, meeting participants sang. Happy birthday Kimberly!</p>	<p>Marissa will post the SOTCH report online by early next week.</p>
<p>Partnership Co-Chair Elections Marissa Mortiboy</p>	<p>Every two years, the Partnership elects a new co-chair. Kimberly Monroe's seat is being vacated. The role of the Partnership co-chair is to guide the direction of the Partnership and represent the coalition at various community, statewide and national meetings. The co-chairs work closely with the Partnership Coordinator to develop Steering and Quarterly meeting agendas and plan meetings. The Partnership also asks the co-chairs for advice and about the history of the Partnership. A full job description can be found at www.healthydurham.org.</p> <p>Kimberly and Gina shared about their experiences serving as Partnership co-chairs. They encouraged those nominated to run for the co-chair position. To be eligible, those nominated must be an active member of the Partnership at least one year prior to the start of the July 1, 2017-June 30, 2019 term. Nominations will be done in April and available online for those who can't attend the Quarterly meeting.</p> <p>Marissa will contact those nominated to see if they would like to appear on the final ballot. Voting will take place online in May.</p>	
<p>Announcements</p>	<p>Racial Equity workshops are available this spring. Contact Kelly Warnock if you would like to attend. The Durham County Department of Public Health is hosting a 3-hour groundwater presentation of May 10 from 2-5 pm.</p> <p>The City of Durham has adopted an affordable housing plan. The plan is available on the City of Durham website. The City of Durham Department of Community Development is undergoing transformation to align with the plan.</p>	

	<p>The Communications committee is planning to start holding orientation sessions for new members in July prior to Quarterly meetings. They are also developing a buddy system for new members. See Melissa Black if interested in being a mentor on behalf of the Partnership.</p> <p>Cassie Hamrick Art Therapy Weekly is hosting a weekly support group for education, healthcare and social services providers. The group is peer led with a creative focus. The group meets every Wednesday night, 5:30-7 pm at 2009 Chapel Hill Road.</p> <p>On April 26 Student U and Healthy Start Academy have health fairs coming up, interested in participating contact (person from Durham Tech?)</p> <p>El Centro Hispano has a health fair on September 17. If you are interested in participating, contact El Centro.</p> <p>The UNC School Work of Social Work is showing the documentary Rise Up, about experience of being foster child, on Saturday, April 22.</p> <p>The Exchange Family Center is hosting a Pinwheels for Prevention Family Fun Day on Sunday, April 30 at Wheels Fun Park to focus on positive parenting.</p>
Next meeting	July 19, 2017, Durham County Human Services Building, 414 E. Main St. , noon-1:30 pm
