Subcommittees Breakout <ul style="list-style-type: none"> • <i>Faith-Based</i> • <i>Resources</i> • <i>Naloxone Awareness</i> • <i>Suicide Prevention</i> 	<p>Faith-Based- Jason has been meeting with pastors of multiple churches and establishing a dialogue about what resources exist within their church and which resources are needed. The workgroup will continue Jason’s work after he leaves his position by keeping in contact with churches and sharing information at the health department Health Ministry meeting in September.</p> <p>Naloxone- The workgroup in partnership with Durham TRY has put out information about naloxone on social media. The reach was about 4500 people including youth and adults. Durham TRY also submitted information about naloxone to the City Council. Cindy shared information about naloxone at the last Northern Piedmont Community Care (NPCC) meeting.</p> <p>The state health director has put a standing order for naloxone in place which means individuals will have access to naloxone at pharmacies. The health director and</p>		<p>Jason will compile a document on feedback received from the faith community.</p> <p>The naloxone workgroup would like to promote the standing order by creating a flyer to provide information.</p> <p>Marissa will speak with Gayle about the plans for the August naloxone event.</p> <p>Marissa will start reserving a resource table in the Human</p>

	<p>Board of Health is interested in supporting naloxone efforts in the county.</p> <p>The workgroup would like to have a naloxone information and advocacy event in mid-August inviting the city of Durham police chief, Durham Sheriff, fire department, members of the Crisis Collaborative, Durham Public Schools, City council and County commissioners. Scott Proeschelbell could provide information.</p> <p>The committee will follow up with naloxone related information at city-wide PAC meetings. The workgroup would like to start staffing a resource table in the health department lobby prior to monthly meetings in order to promote the work of the committee and educate on substance use and mental health related issues.</p> <p>Resources- The workgroup discussed reviewing the Network of Care and Alliance Behavioral Care resource lists. Johana and Shemeka will collaborate on current resources guides and updating them. Providers need information on what populations are served, eligibility requirements, hours of operations, general contact person, insurances accepted, types of therapy offered, languages spoken and if emergency services are available.</p> <p>Suicide Prevention- The workgroup is finalizing the survey for providers to assess services for LGBTQ patients. The goal is to get the survey out to by the end of July. The survey will be distributed to providers on the Alliance Behavioral Healthcare list. The timing for the survey is important due to the recent events in Orlando and the need for mental health services.</p>		<p>Services lobby prior to the SU/MH meetings starting next month.</p> <p>Cindy will give Johana the committee resource list.</p> <p>Gina will send the resource workgroup language about providers.</p> <p>Liz will send the survey to committee members for additional feedback.</p>
