- **Access to Healthcare-** Increase access to medical and dental care for Durham County residents
- **Communications-** Improve internal and external communications and branding
- **Health and Housing-** Examine the relationship between housing and health
- **Mental Health-** Increase access to mental health services and public awareness of mental illness
- **Physical Activity, Nutrition, and Food Access-** Address risk factors such as food access and physical activity

Mission: The Partnership for a Healthy Durham is committed to collaboratively improving the health and well-being of its community, and those who live in it, using racial equity principles.

Vision: All people of Durham have an equitable opportunity and ability to enjoy safety and good physical, mental and social health.

Racial Equity Principles: Cultivate community power and leadership, transform inequitable systems using justice and accountability, operationalize internal equity, connect our humanity, admit language and history matters
