## Partnership for a Healthy Durham Communications Committee 2018-2021 Action Plan Goals and Objectives

GOAL 1: Internal Communication - or - Partnership members know about all committees' activities (and know how to support them).

- OBJECTIVE \#1: Implement in-person cross-committee representation at committee meetings to ensure each Partnership member is updated on all committee activities
- OBJECTIVE \#2: Serve as technical assistance for other Partnership committees by 1) sharing stories and events from committees with public via multiple outlets and 2) reviewing and providing feedback on materials created by other committees

GOAL 2: External engagement/communication with the community - or - the community knows who the Partnership is and what we do

- OBJECTIVE \#1: Assess Partnership membership directory to determine sectors and demographics represented in order to identify gaps.
